Academic Work Experience

Role	Institution	Year
Graduate Research Assistant	School of Marine Science and Policy, University of Delaware	Sep 2023–Present
Lecturer	Dept. of Environmental and Resource Economics, Dhaka School of Economics, University of Dhaka	Apr 2021–Aug 2022
Research Assistant	Dept. of Environmental and Resource Economics, Dhaka School of Economics	Jan 2018–Feb 2021
Lecturer (Part-Time)	Dept. of Chemistry, College of Science, Business and Humanities	Mar 2017–Dec 2017
Lecturer & Lab Assistant (Part-Time)	Dept. of Chemistry, Maple Leaf International School	May 2016–Jun 2017
Senior Lecturer (Part-Time)	Dept. of Chemistry, Udvash Academic or Admission Care	Jan 2012–Feb 2017

Professional and Applied Experience

Role	Organization	Year
Assistant Manager (GIS Expert)	Planning and Regulatory Dept., Eastern Housing Limited (EHL)	Oct 2019–Mar 2021
GIS Specialist	Development Design Consultants Limited	Jul 2019–Sep 2019
Urban Planner and GIS Expert	Institute of Water Modeling	Oct 2018–Jun 2019
Urban Planner	TSS Corporation; Engineering Consultant and Associates Ltd.; Bangladesh Army Welfare Trust	2016–2018
Urban Planner and GIS Expert	Bengal Institute for Architecture, Landscapes, and Settlement	Jun 2016–Sep 2016
Consultant	APARAJITA Design Development Limited (ADDL); Unimax Consultants Ltd.	Not specified

Technical Skills

Programming	R, Python, MATLAB, Julia; Git/GitHub; reproducible scripting and project documentation
Econometrics	Panel data, causal inference, fixed effects, robustness checks, administrative data integration
Remote Sensing / GIS Climate and Crop Data	Google Earth Engine, ArcGIS, QGIS, geospatial joins, raster/vector processing ERA5, CMIP6/GCMs, bias-adjusted climate products, extreme degree days, crop calendars, harvested-area weights
Data Tools	pandas, geopandas, xarray, rasterio, sf, terra, dplyr, ggplot2, Stata, SPSS

Academic Awards

- Marian R. Okie Fellowship, School of Marine Science and Policy, University of Delaware, 2022.
- Third Prize, Poster Presentation, DENIN Environmental Research Symposium, University of Delaware, 2025.
- Bangladesh Education Board Scholarships for academic excellence in SSC (2007) and HSC (2009).

Conference Presentations

- Evaluating Bias-Adjusted Climate Data for Extreme Heat Metrics in Agricultural Applications, Climate Informatics 2026, Lausanne, Switzerland. Presentation.
- Hybrid Modeling for Estimating Climate Risk: Incorporating Process-Based Crop Model Outputs into Empirical Yield Analysis and Projections, AGU Fall Meeting 2025, New Orleans. Poster.
- Role of Incentives in Determining Agricultural Wages, 10th Annual DENIN Environmental Research Symposium, 2025. Poster.
- In-Kind Incentives and Wage Outcomes: An Econometric Analysis, NAREA Annual Meeting 2026, Red Bank, New Jersey. Presentation.
