EDUCATION	University of Delaware (UD), USA Ph.D. in Environmental Economics Advisor: Prof. James Rising Dhaka School of Economics, University of Dhaka, Bangladesh M.Econ. in Environmental and Resource Economics Bangladesh University of Engineering and Technology (BUET) B.URP in Urban and Regional Planning	Expected 2026 2019 2016
RESEARCH INTERESTS	Primary: Environmental Economics, Development Economics, Applied Econometrics Secondary: Climate Risk and Agriculture, Labor and Contracts, Trade and Food Security, Quantitative Policy Analysis	
PUBLICATIONS	[1] Muhammad Taky Tahmid. 2026. "Evaluating Bias-Adjusted Climate Data for Extreme Heat Metrics in Agricultural Applications." Environmental Data Science (forthcoming).	
JOB MARKET PAPER	[2] Muhammad Taky Tahmid. "Cash-and-Kind Contracts and Yield-Related Cash-Wage Adjustment: Evidence from Rice Agriculture in Bangladesh." This paper studies how climate-driven yield shocks affect agricultural wages and cash-and-kind labor contracts in rice agriculture in Bangladesh. It examines whether cash wages, in-kind pay, and days worked adjust together when yields change, and what that implies for worker earnings when contracts mix cash and food. The analysis uses applied microeconomic methods with detailed contract, wage, and climate measures. The results speak to how rural labor institutions mediate climate risk for agricultural workers and employers.	
WORKING PAPERS	[3] James Rising and Muhammad Taky Tahmid. 2025. "Reductions in Economic Outcomes Due to Climate Change Today Based on a Systematic Review." (Under review at Nature) [4] Muhammad Taky Tahmid. 2026. "Flood Shocks, Trade Networks, and Import Exposure Risk: Evidence from a Global Food Panel, 2000–2021." (Under review at Environment and Development Economics) [5] Muhammad Taky Tahmid. 2026. "Climate Shocks, Input-Output Linkages, and Manufacturing Contraction: Evidence from Developing Countries." (Under review at Environment and Development Economics)	
WORK IN PROGRESS	[6] Muhammad Taky Tahmid, James Rising, and Mark Cane. "Hybrid Modeling for Improved Crop Yield Estimation." [7] Muhammad Taky Tahmid and George Parsons. "The Economic Value of Recreational Crabbing and Clamming in the Mid-Atlantic Region."	

WORK IN PROGRESS (CONT.)	[8] Muhammad Taky Tahmid , Jubraj R. Pavel, James Rising, Anna Birkenbach, and Kimberly Oremus. “Data Gaps along the Delaware Coast for Marine Spatial Planning.”	
FELLOWSHIPS AND AWARDS	• Marian R. Okie Fellowship, UD 2022 • Graduate Student Travel Award (×3), UD (\$1,500) 2025–2026 • SMSP Travel Award (×3), UD (\$1,500) 2025–2026 • Travel support: AGU Fall Meeting; NAREA Annual Meeting; Climate Informatics 2025–2026 • Third Prize, Poster Presentation, DENIN Environmental Research Symposium 2025	
PRESENTATIONS	• Mid-Atlantic Ocean Forum, Virginia, USA 2026 • NAREA Annual Meeting, Red Bank, New Jersey, USA 2026 • Climate Informatics, Lausanne, Switzerland 2026 • AGU Fall Meeting, New Orleans, Louisiana, USA (poster) 2025 • DENIN Environmental Research Symposium, UD 2025	
TEACHING EXPERIENCE	• Teaching Assistant, University of Delaware MAST 670: Benefit-Cost Analysis (BCA). Fall ’26 • Lecturer, Dhaka School of Economics, University of Dhaka Apr ’21–Aug ’22 Microeconomics; Mathematics for Economics; GIS for Economics. • Lecturer (Part-Time), Udvash Academic & Admission Care Jan ’12–Feb ’17 • Lecturer (Part-Time), Maple Leaf International School May ’16–Jun ’17 • Lecturer (Part-Time), College of Science, Business and Humanities Mar ’17–Dec ’17	
RESEARCH EXPERIENCE	• Graduate Research Assistant, University of Delaware Fall ’23–Fall ’26 – CCAC Economic Assessment: integrated-assessment work on heat-mortality damages and country-to-region mappings. – DNREC marine spatial data-gap assessment: reviewed nearly 300 datasets for Delaware marine spatial planning. – DNREC recreational shellfishing survey (with George Parsons): survey design and Qualtrics programming; catch-zone harvest estimates for agency use. • Research Assistant, Dhaka School of Economics, University of Dhaka Jan ’18–Feb ’21	
PROFESSIONAL EXPERIENCE	• Assistant Manager (GIS Expert), Eastern Housing Limited Oct ’19–Mar ’21 • GIS Specialist, Development Design Consultants Limited Jul ’19–Sep ’19 • Urban Planner and GIS Expert, Institute of Water Modelling Oct ’18–Jun ’19 • Urban Planner, Engineering Consultant and Associates Ltd. Mar ’18–Sep ’18 • Urban Planner, Bangladesh Army Welfare Trust Oct ’16–Jun ’17	

CONSULTANCY EXPERIENCE	• Urban Planner and Economist, EK Architects–Celltron JV	Feb ’21–Aug ’22
	• Consultant, APARAJITA Design Development Limited	2015–2019
	• Consultant, Unimax Consultants Ltd.	2015–2019
UNIVERSITY SERVICE	• Senator, Graduate Student Government, UD	2024–2025
	• Vice President, Muslim Student Association, UD	Spring ’25–Present
	• Treasurer, Muslim Student Association, UD	2024–Spring ’25
	• Student Representative, Director’s Council, SMSP, UD	2022–2024
MEMBERSHIPS	Northeastern Agricultural and Resource Economics Association (NAREA); American Geophysical Union (AGU); Southern Economic Association (SEA); Allied Social Science Associations (ASSA); American Economic Association (AEA); Associate Member (AM-1528), Bangladesh Institute of Planners (2018–Present)	
SOFTWARE	Stata, R, Python, Excel, Julia, Git/GitHub, ArcGIS, QGIS, Google Earth Engine	
LANGUAGES	Bangla and Rohingya (native); English (professional)
